Inn at Otter Crest

Otter Rock, Oregon

INN AT OTTER CREST

The Inn is nestled into an oceanside forest with acres of ancient trees, ferns, shrubs and native plants. Here you will find the best of Oregon's famous coastline with its spectacular rock formations, wild surf and pristine beaches. While staying at the Inn you'll find that many of the Oregon coast's wonders are within walking distance. Every day the resident Harbor Seals haul out on the rocks and can be viewed from many rooms as well as the front lawn. During the summer and fall months, the central coast is home to several resident Grey Whales who frequent the area in front of the Inn.

Join us to show off your cars with this nature-filled backdrop.
